Buy a HeartSine samaritan® PAD, the best way to prepare for the worst.

This sophisticated automatic external defibrillator (AED) is designed for rescuers of all skill levels and is ideal for sports facilities, schools, churches and business. It is:

- **User-friendly** – visual and oral prompts guide every step
- **Portable** – lightest and smallest defibrillator
- **Durable** – carries the industry's highest protection rating against dust and water
- **Inexpensive to own** – replaceable cartridge combines battery and electrode pads

Buy before 12/31/2009, and HeartSine/Your Safety will donate \$50 to the Sudden Cardiac Arrest Foundation,

a national, non-profit, grassroots organization whose mission is “to raise awareness about sudden cardiac arrest and give ‘ordinary’ people the power to save a life.”

Are the people at your workplace, your fitness club, your place of worship, your child’s school or sports team – ready to respond effectively to cardiac arrest? Are you ready?

Did you know that immediate CPR and use of automated external defibrillators (AEDs) can mean the difference between life and death for cardiac

arrest victims?
